

SEACOM SKILLS UNIVERSITY
Kendradangal, Birbhum, West Bengal -731236

Health Facilities of SSU

Seacom Skills University offers both Ambulance Services and Medical Care on Campus. These services are crucial for quickly responding to emergencies and providing immediate medical assistance to students, staff and visitors. One pathological lab is also available in emergency situation.

One Male Nurse (Name: Ayan Mukherjee) has been entrusted to extend initial medical services to the students, staff, and visitors during office hours.
